HORECA

In the HoReCa segment , our main goal is to keep high quality of poured beer. This segment of the market supports sales and marketing on modern market. In the HoReCa segment we are able to deliver to each customer in Poland, but first of all we seek and maintain sales only to those clients for whom the quality of poured beer in their pubs is the most important thing.

- 1) We are providing a full equipment for pouring a beer (column, taps, freezers) and glass in form of mugs.
- 2) A basic gadgets like: t-shirts, trays, aprons, posters.)
- 3) Signboards, neons, banners, parasols, rollbars– for key customers
- 4) Trainings in Czech breweries for best customers.
